Capture Needs & Wants

...if you have let yourself dream about the ... garden, we have an activity to help you capture your thoughts ... Here's a little exercise to help you ... on the kind of activities you want your garden to cater for and the different spaces you need. We'll use the responses you have here in later sections. So don't skip this step.

**Note** - We're not designing the garden yet, just sharing how you envisage using it. This one that ... is only a guide to help you think about the garden. We have tried to be as simple as possible, but ... for you to be a guide. This is just thinking about how big or small your garden is, which will ...
